{{STATE_NAME}} State Withholding Considerations

- State income tax rate: **{{STATE_INCOME_TAX_RATE}}%**
- {{STATE_NAME}} uses a similar withholding system to federal W-4
- Changes to your federal W-4 typically affect state withholding automatically
- You may need to file a separate state withholding form in some cases

When to Adjust Your W-4

- You get married or divorced
- You have a child or other dependent
- You start or stop working a second job
- Your spouse starts or stops working
- You received a large refund or owed a lot last year

- You buy a home or have other major life changes
